LOS AN

SAN FRANCISCO

Vicente Agor

San Francisco-based designer Vicente Agor's collection of hand-wrought 18k gold jewelry is perfect for a season full of '60s-inspired leggings and oversized sweaters. Agor's signature glitzy look came about accidentally when an assistant polished an earring that was supposed to be malta. And the former stockbroker's luminous line of Moroccan-mod jewelry was born (\$350 to \$9,500). vicenteagor.com. **GEORGE KOTSIPOULOS**

From Bette Midler to Madonna, the list of celebrities who have worn Agor's jewelry is long. In 2005, Agor's jewelry was featured in the book "The Art of Jewelry" by the Smithsonian Institution. Agor's jewelry is also featured in the book "The Art of Jewelry" by the Smithsonian Institution. Agor's jewelry is also featured in the book "The Art of Jewelry" by the Smithsonian Institution.

Personal Statement

With leggings enjoying a comeback, it's only a matter of time before those "Jennifer & James" nameplate necklaces (à la Carrie Bradshaw) show up again. Take a subtler approach toward proclaiming your love for your spouse with an elegant Vicente Agor silhouette pendant instead. Provide a photo of your loved one's profile (pets and children also welcome), and it will be transformed by hand into a one-of-a-kind 18k gold piece. So lovely and understated, even Big would approve. \$1,100 for the pendant or \$1,280 with a 16" chain. VicenteAgor.com to order

Gold Goes Bold for Holiday 2006

There has never been anything understated about gold. Kings and queens were lost for it, civilizations were plundered for it and the most ornate and fashionable jewelry was always bedecked with it. Why should holiday 2006 be any different?

A choker-length necklace with a geometric pendant is just substantial and modern enough to balance a fall dress or jacket. **WINGS/AGOR**, San Francisco; (415) 863-1770.

My wedding gown's neckline was somewhere between a bateau and a Sabrina, so my accessories were limited to earrings only. (We go through all the rules in **BE JEWELLED.**) I think today I'd choose a V-neck, if only to wear this Vicente Agor pendant.
